# Industry Leaders advocate business opportunities from Artificial Intelligence and Machine Learning

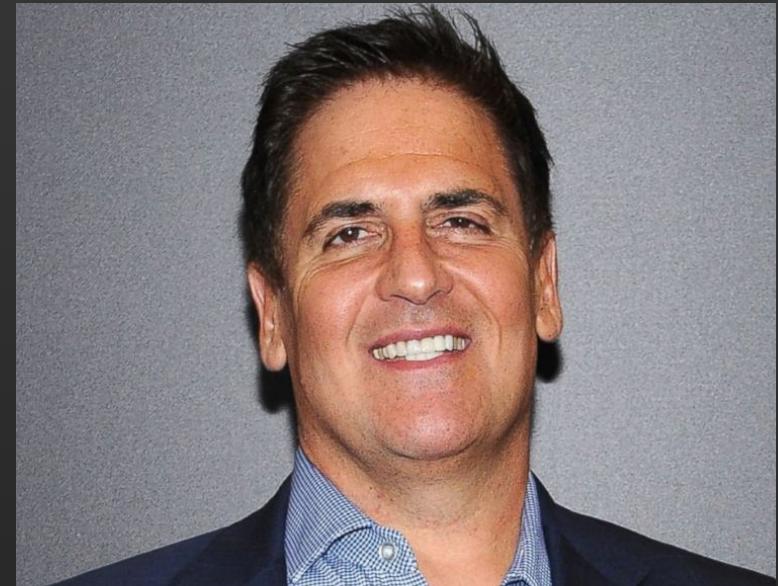

Bill Gates

*If you invent a breakthrough in artificial intelligence, so machines can learn, that is **worth 10 Microsofts**.*

Jeff Bezos

*Basically, there's **no institution in the world** that cannot be improved with machine learning.*

Mark Cuban

*Artificial Intelligence, deep learning, machine learning—whatever you're doing if you don't understand it—learn it. Because otherwise you're going to be a **dinosaur within 3 years**.*

However, the  
Industry is facing a  
**massive shortage**  
of skilled resources

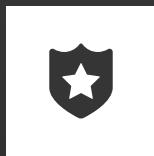

There hasn't been a  
better time to start a  
**career in Artificial  
Intelligence and  
Machine Learning!**
